- A. Please indicate on this numerical scale how well in your estimation, the course has met its objective. (Number 1 is the lowest, number 7 is the highest.)

- B. Please describe how you see the program benefiting you.

*I am more aware of how the other
offices operate and what they consist
of.*

- C. Given your present assignment, what segment of the program did you find least useful?

*The training for tomorrow
The present & future of Support
DDA Personnel Management Handbook
I really don't feel like I learned
anything of any value from the
3 mentioned above.* (See Reverse Side)

- D. Did you feel the session on the Administration Directorate/ Management & Advisory Group (AD/MAG) was beneficial? Why?

I wasn't able to make that meeting.

- E. We welcome your suggestions for improving this course:

To make the day a little shorter, even if it meant staying 5 days. From 8³⁰ to 8²⁰ is too long. By the time evening classes rolled around you're tired from sitting and listening all day, so really enjoy the session at night.
